Dilera Topaloğlu 2021/2024

DİLERA TOPALOĞLU

Turkish expressionist painter Dilera Topaloglu born on January 15th, 1979 in Istanbul.

She studied fine arts at Barry University in Miami and accessory design at University of Miami. Upon completing her studies in 2007 she returned to Istanbul.

In her paintings, she utilizes strong and striking color techniques which span across both realistic and abstract touches. She incorporates acrylic paint, collaging and assemblage into her creations.

During her improvised creative process, she captures the fleeting emotions of the moment in vivid color transitions, while exploring the interaction of acrylic paint with such speed.

The bright and saturated colors in Dilera's paintings transcend beyond the mundanities of everyday life while emphasizing her abstract and expressionistic plastic reality.
